Partnering with PARENTS...

GOOD NEWS YOUTH partners with parents to impact youth. This month we invite you to join us at some special events.

Bringing youth and parents together

Sunday, May 13, 9:00am: We will be hosting a special Mother's Day service for all families of Good News Youth. A special video of our youth talking about their amazing moms will be shared, and there will be a small gift for moms that day. Our youth will lead worship and Pastor Joe will share the message.

July 6-8: Solid Rock will be going on a canoeing adventure! All youth going into 6-8 grade in the fall of 2018 are invited to go with us for a 3-day trip down the Flambeau. Outfitted by our friends at Forest Springs, this will be a weekend to remember! Details at our website.

GOOD NEWS YOUTH exists to help young people develop full lives that puts Jesus first. We strive to instill values that they can live out in every part of life: home, school, sports, clubs, and in their hearts. The following is what is coming up to help that to happen:

Wednesday Nights: This month we continue our series "Be Rich". We are identifying our wealth in finances, relationships, and in Jesus. Then we are giving opportunities for our youth to

share that wealth. The buckets above represent 2 local non-profits and 2 foreign missions groups the youth are giving to. In addition we are providing opportunities to share love with our families and share the gospel through outreach events.

Saturday, April 14, Action City Trip!: All youth 6th-12th grade are invited to bring a friend with us to a fun day at Action City. Trampoline Park, go-karts, mini golf, laser tag, water park and video games. Details at our website.

April 15-20, Youth Rummage Sale: Fundraiser event to help reduce costs for our summer youth events. Donate your unneeded stuff, or your time, to help us reach the youth of our community.

Upcoming Schedule: We have just a few weeks left in our youth ministry year...but some of our favorite things are coming up!

April 11, 18, 25: Regular youth gatherings, with Solid Rock from 6-7:30, Crosswalk 7-8:30. Combined worship from 7:00-7:30

May 2: St. Anthony's Retreat Center (Be Still and Know!)
