World Cup Soccer Camp

A great staff of coaches and varsity athletes from Mosinee High School are excited about a great soccer camp!

Director:

Camp Directors Joe Carlson & Pat Youles have a combined coaching background of over 50 years. We love introducing the love for the game to a whole new generation of players!

Staff:

Members of the Mosinee High School Varsity teams, as well as players from the programs.

What we do:

Skills: All athletes will be taught proper skills in passing, shooting, and dribbling. We will show them ways to improve on their skills with fun, easy-to-learn activities.

Competition: Athletes are placed in teams with others of their same age group, each team representing another country. We conclude each evening with these "countries" facing off against one another in a game. **Parents:** You are encouraged to get up close and catch all of the action!

Life Lessons: Campers will take a time out every evening to catch a drink of water and hear a message to "strengthen their core". While the physical training is important, we will take time to teach a Biblical lesson that will build the inside of the campers.

Games:

Every night we will be playing games: soccer games, of course, but also small-sided and skill-level based games that will help make the game fun for all participants!

Registration Form & Waiver:

Due by June 4, 2018 with \$10 entry fee per child - \$30 maximum per family (make checks payable to "Good News Church"). All registrations after June 4: \$15 per child.
